Concert Assn. Launches Drive For 1000 Members

With a membership goal set at 1,000, the Albany-El Cerrito Community Concert Association had the official opening of its 1951-52 drive last night in a "kick-off" dinner meeting at Albany Community Church.

Part subscribers may renew their memberships, and new member enrollment during the drive which concludes on February 24, according to Mrs. Harold Stone, president. Admission to the concerts is by membership only and no single tickets will be sold.

Mrs. M. J. Schlatter, campaign chairman, has organized an efficient group of workers to canvass in Albany and El Cerrito and surrounding areas.

Memberships are also available at headquarters, 1150 Solano Ave., AlAnd 5-6858. They are \$6 for adults and \$3 for students, including Federal tax.

Berkeley residents who have not been able to subscribe to the Berkeley Association will be invited to buy memberships in the Albany-El Cerrito Association after February 19, providing the 1000 quota is not reached.

Dorothy Maynor, William Primrose, Mata and Hari, John Carter and Edmund Kurtz are a few of the artists that have appeared on the local concert program during the past two years. Frederick Ray and Pilar Gomez, sensational Spanish dancers will present the final part of the current series on February 24 at Albany High School Auditorium. This will be a bonus attraction for all new members. Mrs. Arthur Wineberg was dinner chairman, and the program was staged by Mrs. Maurice Giles. Initial portion of the program was presented by Josephine Markham and Robert Bruce, talented artists, who sang selections of various light operas. Mrs. Hester Grimm, representative of the Columbia Community Art Association in New York, urged the membership campaign. Various artists available for the 1952 season.

City Opposes State Tax Amendment

Albany City Councilmen went on record Tuesday night opposing a proposed State constitutional amendment (ACA No. 33) now pending in the State Legislature which would prohibit cities and counties from levying certain taxes and from imposing certain business and artistic taxes presently taxed by the State. The measure was unanimously rejected by the Council on a motion of Councilman John C. Longenecker, who said that if the proposed bill covers race tracks and dog sales the city would lose several thousand dollars in annual revenue.

The Council instructed the City Attorney to fight the proposed bill through the League of California Cities and to ask the support of the representatives.

The Council approved the installation of 56 new street lights by Pacific Gas and Electric Co. when money becomes available.

In observance of Boy Scout week, Mayor C. F. Graeber invited representatives of Albany Scout Troops to "preside" over Tuesday night session. Scouts from Troops 12 and 42 were seated at the Councilmen and city officials.

A suggestion of Councilman Longenecker to form a five-member committee to work on safety problems of the city was held over for further study. Objection was voiced by Councilwoman Mrs. John Zaim, who held that such a committee was not necessary.

Excerpts From The Avenues

By GENE EPPLER

Remember Albany's big three-day '42 celebration back in September, 1947, that folded up after the second night because too many people stayed at home and funds ran short? . . . We hear that the private decorating company which constructed various booths, draped the colorful flags and banners, etc., is still trying to collect some \$400 of the \$800 promised them . . . And from all indication, they'll use the court channels to collect . . . Entertainers for the big fiesta finally collected their remaining fee through a settlement out of court last year. Unfortunately, since the affair was not sponsored by the city, Albany citizens serving on the committee were left holding the empty bag. Proceeds from the benefit were to go for the building fund of the city library.

After getting "gassed" up at a Berkeley service station recently, Mrs. George Zinn, 711 Key Route, handed the attendant her courtesy credit card. Glancing at the name on the card, the youngster turned to Mrs. Zinn and said: "So you are Mrs. Zinn of Albany. You know, I read all about you and the Albany City Council in the newspapers each week." . . . Mrs. Zinn assured the eager attendant that she had nothing to do with city politics.

Albany Rotarians turn up at the most unexpected places . . . At least that is the opinion of past district gov. Al Hackim of Albany, just home from a trip back East. . . "The wife and I were viewing New York City from the 80th floor of the Empire State Bldg, and who should walk up but Fred Granholt." . . . And to prove that it's still a small world, Al (Continued on page two)

Eight to Receive Legion Awards

Eight members of Albany Post 292, American Legion will receive "1951 Golden Bear" awards and the Department Commander Stanley Dummier citations tonight for recruiting the largest number of new members and renewals during the current membership drive.

Membership achievements will be presented by Membership Chairman Don Karns at the 8 p.m. meeting tonight at the Veterans Memorial Building.

Members who will receive awards include Jack Hamilton, Carl Waters, Cary Canaday, Commander Arthur Carlson, Howard F. Hill, Jack Purcell, Walker Lyon and Ralph Pantalon.

Karns will receive a similar award from Commander Carlson for his outstanding leadership during the two-month drive.

Albert Markstein, Post Navy night chairman, will take reservations for the Post's third annual visit to the Rainier Brewery in San Francisco on March 2. Members will tour one of the largest breweries of the West and will have ample opportunity to "sample" the product.

In other business tonight, William Price, Post blood procurement chairman, will sign up members donating blood on Saturday, February 17. Blood given this week will be dedicated to Phillip Corrigan and Jude Banks, both members of the U.S.M.C. and Albany Post, who suffered wounds and injuries in Korean action.

Neighboring occupants—who thought an atomic bomb had exploded—look on as Albany firemen clear debris after a gas explosion blew out walls of this unoccupied apartment in Codornices Village. The pilot light of the hot water heater is believed to have touched off the escaping gas from a stove connection.

Albany Leaders Receive Honorary PTA Memberships For Outstanding Service

Eight Albany residents today held honorary life memberships in the National Congress of Parents and Teachers for outstanding leadership in PTA, civic and youth welfare work.

Announcement of the recipients was made Tuesday afternoon at a joint Founders' Day program of Albany's six PTA units at Marin School Auditorium, during

which tribute was paid to founders of the NCPT.

Principal Eugene Baker of Marin presented awards to Mrs. Robert Kleinhammer, director of last summer's vacation craft program

and second vice-president and program chairman of the PTA, and to Mrs. C. R. Quick, who served as treasurer for the past few years and as president this year.

The Albany High School unit honored two teachers, Mrs. Constance Dietsch, chairman of the English department, and Miss Helen Fake, head of the commercial department. Principal Charles Moore made the awards.

George Chessum, counselor for Codornices School, was given a life membership for outstanding work in youth and civic organizations by Principal Elmer Venter, Elmer Coble, executive secretary of Albany YMCA, was chosen for the Cornell life membership pin with Principal Milton Gordon making the presentation.

Recipients for the MacGregor and Vista awards were introduced by Principal Charles Reed. Mrs. Helen McGimpsey, founder of MacGregor PTA and exceptionally active in its fund raising campaigns, was named for MacGregor's choice. Mrs. John Ellinger, finance and budget chairman for Vista unit and one of its organizers, was Vista's selection.

Guest speaker for the annual program was Mrs. Nancy Pauline Turner, director of the Berkeley Mothersingers and state music director for California Congress of Parents and Teachers.

Mrs. Turner pointed out that the two founders of the National PTA were a combination that could not fail—one had brains and the other money.

She said that presentation of life memberships serves two purposes: One, to honor outstanding and deserving workers, and the other in building up a loan fund for scholarships and fellowships for students in the field of education.

The concluding portion of her address concerned the transmission of attitudes from parent to child. She emphasized that the basis for any attitude is knowledge and that even more important than knowing a thing is the realization of it. "It is primarily by the parent emphasis that attitudes are built up in a child," she said.

Special guests included Mrs. L. E. Thornton, president of the 16th (Continued on Page 2)

Explosion Rips Village Unit

No Injuries, \$1000 Damage

An explosion Tuesday night in a Codornices housing apartment—which neighboring occupants thought to be an "atomic blast"—today was blamed on escaping gas, according to Albany Fire Chief Fred Pimental.

There were no injuries, although damage of the vacant apartment was estimated at \$1000 by Carl Stevens, maintenance supervisor for the Village.

Pimental said the explosion was caused from gas escaping from a shut-off valve that had connected the kitchen range. The stove had been disconnected during the day by painters redecorating the apartment, he said. The blast was believed to be touched off from the pilot light in the hot water heater.

Both outside walls of the apartment were blown out by the blast. However, adjoining apartments on the side and above escaped with minor damage. A rear window sash was blown some 200 feet into the Codornices School playground next to the devastated structure at 1112-B Eighth St.

Asst. Fire Chief Gerald Browne and his three-truck crew answered the alarm reported at 7:45 p. m. Only a mattress and several rags were burning when the firemen arrived.

R'Cross Sets Albany Quota

A goal of \$10,388 for the proposed two-day Albany Red Cross fund drive "blitz" beginning on March 4 was announced today by Chairman Eugene Baker.

The quota will be split with \$3600 to be collected from the residential area and \$6788 from the business district.

Mrs. Delsa Walton and Mrs. Will Betten, co-chairmen, will direct canvass of the residential area. Their precinct chairmen will be Mesdames Mildred Bradfield, J. A. Egenberger Jr., L. J. Hardie, George Neel, Leslie Spivak, and Harold Stone.

Precinct captains will include the Mesdames Duane Anderson, Walter Browning, David Lyon, Jack Morrow, Earl Sorenson, Charles Clayton, Dennis Scapparo, R. H. Pawson, Lynn Duggan, Lucille Lindsay, Ernest Baxter, Benjamin Bouronette, Steven Greenhalgh, Robert Holiday, Elmer Hughes and Warren Truitt.

Workers will gather February 26 at Marin School for the kick-off dinner and rally for the 1951 fund drive.

"Proceeds of the drive will be channelled to the following vital wartime activities: Procurement of blood and plasma, first aid and home nursing training, expansion of Red Cross services to the armed forces, and assistance in provision of emergency food, clothing and shelter," Baker stated.

Judge Cecil Mosbacher

Rotary to Hear New Woman Judge

Miss Cecil Mosbacher, recently seated as the first woman judge of Alameda County Superior Court, will address Albany Rotarians and guests Monday at the luncheon meeting at the Veterans Memorial Building.

Miss Mosbacher, former assistant district attorney, was appointed to the seat on the bench last month by Gov. Earl Warren after the resignation of Superior Judge Edward J. Tyrrell.

A resident of Berkeley, Miss Mosbacher graduated from the University of California in 1920. After 14 years of social welfare work, during seven of which she held the position of supervisor of adoptions in the state department of social welfare, she entered the UC School of Jurisprudence, graduating in 1934. Immediately after admission to the bar in that same year, she joined the staff of the district attorney on which she served until her new appointment.

Program chairman for the luncheon will be George Irwin, secretary of the club and an inspector for the district attorney's office.

Albany "Y" Mothers Plan Luncheon-Whist

Proceeds from a whist party sponsored by the Mother's Club of Albany YMCA at the community center 12:30 p.m. Tuesday, February 20, will go for youth welfare work, according to Mrs. Catherine Turpin, chairman.

The public is invited to attend.

Dance Will Aid Building Fund

Proceeds from Albany Eagle's annual Valentine Dance tomorrow night at Painters' Hall in El Cerrito will go for the Aerie's future home to be located at Solano and Evelyn Aves, according to President George Porter.

Music will be provided by Jack Blue's popular orchestra from 9 p.m. until 1 a.m.

Tony Kalberer is serving as general chairman, and assisting with arrangements are Frank Iredale, Frank Bowers, W. Ferguson, Sam Locke and Bert Townsend.

Several door prizes will be awarded, including a 15-pound ham and a set of beautiful silverware.

Tickets for the benefit dance are available from members or at the door for a 75-cent donation. Winners of door prizes do not have to be present to claim the awards.

TENNIS CLINIC OPENS

The Carnation Tennis Clinic is held each Tuesday from 3 to 6 p.m. at Memorial Park Rackets, balls and instructions are provided free to interested youngsters and adults.

New Super Market Opens Today

It's open house today and Saturday at Solano Avenue's newest store—Chadwick's Market at 1701 Solano Ave.—marking the grand opening of the ultra modern shopping center.

A special feature for the gala two-day opening will be free bags of groceries for customers "caught" at the checking counters when the big alarm clock sounds its bell at frequent intervals. And for the youngsters will be free ice cream and colorful plastic balloons at 11 a.m. Saturday.

Owner of the new food emporium is Chadwick Young, veteran groceryman who owned—and operated a similar store in Antioch for the past three years. Prior to opening his own business, Young managed a large chain store for several years.

And standing by to serve the public will be his staff of assistants, who include Hattie Lacey, Robert and Nila Young, Gloria Cowan, Raymond Meurer and Ed Hammerick.

The ultra modern meat department, which extends the full length and across the back of the 100 by 60 foot store, will be operated by Leo and Tom Fahmie. The brothers were former owners of the Chime's Market on College Ave. for 18 years.

"Shoppers will find only top quality U. S. Government inspected meats, fish and poultry in our show cases," said Leo, "and at the lowest prices on the Avenue."

In addition to a thousand-and-one items in the market, shoppers will find ample parking space on either side of Solano Ave.

How much would liquor prices to up if the \$3 a gallon tax increase requested by Secretary of the Treasury Snyder become law?

Trade authorities, according to Michael Fahmie, estimated the retail price increase on a "fifth" size bottle of alcoholic liquor at 86 proof would amount to about 95 cents, assuming normal business profit margins are maintained. Ninety proof liquor—which includes most of the many straight whiskeys and some blends—would advance about 99 cents a fifth.

Lola Jane Bryan, Long Beach Man
Recite Vows in Berkeley Church

"At home" at 4112 Colorado St. in Long Beach after returning from a brief honeymoon are Mr and Mrs. William Robert Jolly (Lola Jane Bryan) who recited the wedding vows in a double ring ceremony February 3 at St. Clement's Episcopal Church in Berkeley.

The 8 p.m. ceremony was read by Dr. Randolph Crump Miller, vicar of St Alban's Church, followed by a reception at the College Womens Club.

Given in marriage by her father, Dr. Paul C. Bryan, the bride wore an ice blue satin gown, trimmed in Venetian lace. She wore a matching finger-tip illusion veil secured by a Juliet cap. A white orchid with white bouvardia completed her bridal ensemble.

The maid of honor role was carried out by Bette Hall of Albany, and the quartet of bridesmaids were Mildred Barba of Albany, Barbara Fletcher of San Carlos, Joan Parsons of Lafayette and Betty Sample of Cle Elm, Washington, all University of California friends of the bride.

The new Mrs Jolly is the daughter of Dr. and Mrs. Paul C. Bryan, of 609 Spokane Ave. She attended Albany High School and was graduated from UC in January where she was a member of the Delta Zeta sorority.

The benedict, son of Mr. and Mrs. Charles Jolly of Long Beach, received his degree from UC last June and is now a special agent for a Long Beach insurance firm. He was a member of the Lambda Phi fraternity on the Berkeley campus.

The groom's best man was Robert Ware of Long Beach, and guests were seated by Ray DeJong, Robert Denamore, Laster Dean and Paul Bryan Jr.

"GO NATIVE" say the world's style leaders--by borrowing the colors and patterns of native African tribes for their sport shirts. Palm Beach white walking shorts set off one of these new sport shirts which is inspired by the patterns used in native African Mombasa cloth. Knee length socks and white Patio-Shell shoes complete the ensemble.

Another good luck and farewell party took place last Thursday after school, when Brownie Troop No. 68, sponsored by MacGregor PTA, bid the "graduates" and troop leader Mrs. Kenneth Hawkins goodbye.

The cast included Shirley Cooper, Patty Casteneda, Alice Burbage, Pat Gray, Judy O'Connor, Joy Havens, Sarah Heggie and Joanne Leahy. Manicure Tips for Teens

—BY TONI WOODWARD
ANS Features

Hands that are pretty to look at and nice to hold belong on the teen-scene today. If it's top-to-toe prettiness you're after, take a few minutes each day to see to your hand-someness. Resolve to give yourself a good manicure once a week and keep your hands and cuticle well cared-for in the interim. Develop the habit of gently smoothing back the cuticle after each handwashing. At night rub in a bit of cuticle cream or baby lotion to keep the skin around the nails soft and pliable and free from rough tears.

Before you start your manicure, a good safety precaution is to moisten a sterile cotton ball with alcohol and use it to wipe away any trace of dust on your implements.

A clean dry nail surface helps improve polish "cling," so follow the professional trick of giving nails a soapy bath and clear-water rinsing before each manicure. In applying polish, use an undercoat or a very thin coat of your colored polish first. After it is thoroughly dry, repeat, using a generous second coat. Carrying this over edge of nail and under the tip helps foil polish chipping. Once, colored polish was considered wicked, but these days most parents agree that a touch of soft color accents good grooming, and causes nail-nibblers to think twice before they ruin a fresh manicure.

But, no polish at all is better than chipped polish, so whisk it off the very second a nick appears. For a speedy nail polish switch, use handy, sterile absorbent cotton balls which are just the right size to make easy work of it. Moisten one of these convenient cotton balls with remover, hold it over the old polish just long enough to soften it, then slide the cotton ball downward in one quick stroke. Just a bit of pressure seems to slide the softened nail polish off with no smudging of fingers.

The "hold-and-slide" technique removes nail polish easily. A cotton ball moistened with remover and held on the nail softens old polish. A downward pressure slides the softened polish off without smudging.

wolf arrows, bear award, bear gold and two bear silver arrows; Donald Klose and Stanley Phil, bear awards; Michael Freeman, wolf award; and Gary Smith, lion award, lion gold and silver arrows.

Year pins were also presented to three Scouts for their services as den chiefs. They were Donald Phil, William Peluso and Warren Woods.

Mrs. Alvin Klose was introduced as the new den mother for Den 4, with Mrs. Phil as her assistant.

MacGregor PTA Hears Librarian At February Meeting

MacGregor parents and teachers who are boasting a new school library heard an address on a related subject at the monthly PTA meeting Thursday evening at the school.

"Children's Literature" was the topic chosen by Miss Leone Garvey, head of the children's department of the main branch of the Berkeley Public Library and a noted authority on children's books.

First grade mothers were hostesses, with room mothers Mrs. Joseph Egenberger and Mrs. Charles Cummings in charge.

Bridge fans of the MacGregor PTA have been alerted that an invitational duplicate bridge game has been scheduled for Saturday evening, February 17, in the school kindergarten room. Proceeds from the 50-cent donation will go for the PTA welfare fund.

Serving as hostesses, providing prizes and refreshments are the Mesdames Leonard Johnston, who with her husband will conduct the game; Milton Porter, William McGimpsey, Fred Woodward, Will Betten, Ed Cooper and Joseph Levy.

Taste-Teasers

By NANCY COOK—ANS Features

There's nothing better than hot muffins on a frosty morning when they are surprise-filled with sweet tangy fresh cranberries. They go to the head of the list of family favorites. So easy to make, with fresh cranberries in season and that box of berries handy on the pantry shelf.

CRANBERRY FILLED MUFFINS

1 cup sugar
1/2 cup water
2 cups fresh cranberries
1 tablespoon grated orange rind
1 recipe favorite muffins

Combine sugar, water, cranberries and grated rind. Cook rapidly until berries pop—about 10 minutes. Prepare muffin batter using favorite recipe, or use a ready-mix and prepare according to directions for muffins. Fill greased muffin tins about 3/4 full and add a generous spoonful of cooled cranberries. Press berries lightly into batter. Drop an additional spoonful of batter on top of the cranberries. Bake according to the recipe, or to directions on ready-mix box. Sprinkle muffins with granulated sugar while hot. Serve warm.

Some cooking tips from a rising young musical comedy and operatic star, Margaret Hunter, Miss Hunter, a native of Baltimore, Md., last year toured the

country with Brigadoon, and is soon to be in Montreal for an opera engagement. In spite of her travel schedule, Maggie loves to return to her New York apartment where she and her friends with her culinary Here are three of her quick recipes:

Sauce for Pork Chops.—1/2 can of milk to a can of mushroom soup. Season with salt and pepper and nutmeg. Heat. Pour over chops. It's the nutmeg that's the trick.

Sweet-sour Pork Chops.—Inate chops in wine-vinegar several hours. Just before serving or trying, pour juice-canned peaches or pineapple over them.

Tricks with Left-over Meat.—slice cooked meat, dip in egg roll in cracker crumbs, roll in deep fat. Especially good left-over veal.

Hadacol Helps New Mother

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron in Which Her System Was Deficient

Mrs. Lottie F. Edwards, who lives at Route 1, Inverness, Miss., has two careers . . . she is a registered nurse and also a wife and mother of a new baby. After her baby was born, Mrs. Edwards felt run-down; she knew she had to do something to help overcome this condition so that she would feel up to her many duties. Mrs. Edwards began taking HADACOL and says it really helped her. Mrs. Edwards was suffering a deficiency of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Here is what Mrs. Edwards says: "I have taken one bottle of your HADACOL and am now on my second bottle, and I can say it has really helped me. After my baby came I didn't feel like walking around. I had headaches and was very nervous, and even one bottle has helped me so much. I want to keep on taking your wonderful HADACOL. I will certainly recommend it to all patients I come in contact with, for I think HADACOL is just the formula needed for Vitamin and Mineral deficiency."

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula. Re-quests have been received from many of these nurses for professional bottles of HADACOL, and many of them indicated that they recommend the HADACOL formula to their patients. HADACOL has helped folks of all ages when their condition was due to a deficiency of Vitamins B₁, B₂, Niacin and Iron, elements which are contained in HADACOL.

Remember HADACOL is sold on a strict money-back guarantee. And so inexpensive. Trial-size bottle only \$1.25. Large family or hospital size, \$3.50. If your druggist does not have HADACOL, order direct from The LeBlanc Corporation, Lafayette, La. © 1951, The LeBlanc Corporation.

Nerve center of P.G. and E. is this giant control board in Oakland where Larry Lafrenz, with P.G. and E. 36 years, guides the flow of over 4 million horsepower. When trouble strikes, Larry's board tells him instantly. By telephone he can cut in or out any power source in the whole system so that repairs can be quickly made and power kept steadily flowing.

Meet P.G. and E.'s
storm fighters

When snow chokes the canyons, rain floods the valleys and wind howls through the cities, P.G. and E. people go on a 24-hour alert to guard your heat and light. That's quite a job: 55,500 miles of power lines to check, 13,500 miles of gas pipe to watch, to say nothing of the home and factory installations of 2 1/2 million customers who live in an area of 89,000 square miles. Now we'd like to have you meet some of our storm fighters and learn of some of the things they do to back up the motto: "You can depend on P.G. and E."

P.G. and E.
PACIFIC GAS AND ELECTRIC COMPANY

Ernest Smith, line patrolman of Concord, an "old timer" at P.G. and E., is typical of the men throughout the system who are ready, day or night, storm or snow, to rush to the source of trouble.

New Automobile
Single Limit Policy!
IT'S SIMPLER!

AUTOMOBILE insurance, like
automobiles themselves, can be
streamlined. Complicating pro-
visions can be removed to make
a policy simpler... easier to
understand... and still provide
better coverage.

Broader!
Interstate Indemnity's new Single
Limit policy does just that. In-
stead of providing three differ-
ent limits of the company's li-
ability in case you are legally re-
sponsible for damage to other
people's property or injury to
others, it sets just one. RESULT:
IT APPLIES WHEREVER
YOU NEED IT.

Less Costly!
And—we quote preferred rates
for preferred drivers.
